Valuation Points for individual Funds may be at different times during the day. - 7.4. No notice, instruction or other communication will be deemed to have been given by You until it has actually been received either by Us or the Administrator.
- 7.5. We reserve the right not to accept any buying or selling instruction unless We are satisfied that all information which We require at the time of dealing has been accurately provided.
- 7.6. Before We or the Administrator will act on any instructions from You:
- 7.6.1. steps will be taken to make sure that the instruction is genuine and clear; and
- 7.6.2. consideration will be given as to whether You are able to settle promptly any relevant transaction and whether any set dealing limit will be exceeded.
- 7.7. We or the Administrator will treat an instruction as being genuine if:
- 7.7.1. it is given on a document (including a cheque) with a signature on it which We or the Administrator reasonably believe is Your signature, or that of any person whom You have told Us is authorised to give Us instructions on Your behalf;
- 7.7.2. for instructions given in person, We are satisfied that We have verified the identity of the person giving the instructions; or
- 7.7.3. We or the Administrator believe in good faith that the instruction is from You or any authorised person and there are no circumstances which We or the Administrator are, or should reasonably be, aware of that bring into question the identity or the authority of the person giving the instruction.
- 7.8. We may from time to time ask You to set up procedures to authenticate instructions You give Us. We recommend that You establish security procedures to help Us to verify the identity of the person who gives Us instructions.
- 7.9. Where We or the Administrator receive instructions from anyone whom You have told Us is authorised to give instructions for You, We or the Administrator can continue to act on their instructions until We or the Administrator receive written notice from You that they are no longer authorised.
- 7.10. We or the Administrator can refuse to act on any instruction or accept a payment into Our account if We believe, on reasonable grounds, that by carrying out the instruction (including a payment instruction) We might be breaking Applicable Laws and Regulations.
- 7.11. We or the Administrator can refuse to act on any instruction or accept a payment from You if:
- 7.11.1. We believe, on reasonable grounds, that doing so might expose Us to action or censure from any government, regulator or law enforcement agency; or
- 7.11.2. it is for a payment to or from a limited number of countries. (We will tell You which countries if You ask Us).
- 7.12. Unless the Applicable Laws and Regulations prevents Us from doing so, We will try to contact You to tell You if We refuse to act on any instruction, the reasons for refusing it and what You can do to correct any problems with the instructions. We will do this at the earliest opportunity and, in the case of a payment instruction, by the time the payment should have reached the bank You asked Us to make payment to. You can also contact Us to find out why We have refused to carry out Your instruction.
- 7.13. Our investment advisers are required to take all sufficient steps to obtain the best possible result when executing orders. A copy of the investment adviser's execution policy is available upon request or from the website detailed within the Fund's Prospectus.
- 7.14. Any minimum initial subscription and any additional subscriptions into the Funds are set out in the relevant Prospectus.
- 7.15. You can telephone Us between 09:00 and 17:00 on any Business Day or send clear written instructions to Us, including by electronic communication, to request the sale of Your Shares or Units. Shares or Units will be sold at not less than the price determined at the next Valuation Point following receipt of Your instruction to sell less any dilution levy that may be applicable. A dilution levy may be applied by

Us on the purchase and/or the sale of Shares or Units if the actual cost of buying or selling Shares or Units may have an adverse effect on existing Investors in the Fund.

- 7.16. The price that You will receive for Your Investment will be calculated at the Valuation Point for the Fund that You are invested in. Valuation Points for individual Funds may be at different times during the day.

For example if the Valuation Point for the Fund You are invested in is noon each day, We will process Your sale Application at that day's price as long as it's received before noon. If it is received after that time it will be processed at the next Valuation Point.

- 7.17. The sale proceeds will normally be paid to You by cheque within four Business Days of the dealing date. If You give instructions by telephone, settlement by cheque will normally be made on the fourth Business Day after receipt of a completed form of renunciation. If there is more than one registered holder on the Account, then all parties must sign the form. Settlement will only be made to You personally or if You are not the first registered holder, then to the first registered holder and will only be mailed to the registered address.
- 7.18. We may refuse to sell, transfer or switch Shares or Units if the sale, transfer or switch will mean You are left holding Shares or Units with a value of less than the minimum initial subscription level set out in the Prospectus.
- 7.19. On some Funds, in the unlikely event We receive high levels of requests to redeem Shares or Units, We may defer carrying out those requests until the next Valuation Point, which will normally be the next Business Day. The Prospectus will state whether this is applicable to the Fund.
- 7.20. If You give an instruction to sell Shares or Units, the AFM may, at its discretion, give written notice before the proceeds would otherwise be payable that, in lieu of paying such proceeds in cash, the AFM will instead transfer scheme property.
- 7.21. TUTMAN and/or the Administrator may set off any amount due to TUTMAN from You, as principal or Agent, against any amount due to You from TUTMAN. TUTMAN reserves the right to require

amounts to be paid by electronic means before a transaction is placed.

8. Switching

You may instruct Us to switch all or part of Your holdings by selling Shares or Units in one class or Fund and reinvesting the proceeds in another class or Fund by telephone, provided written instructions are received by Us before switching takes place.

A switch may take place between 09:00 and 17:00 on Business Days, subject to any restrictions on the eligibility of Investors. The number of new Shares or Units will be determined by reference to the respective prices of new Shares or Units and original Shares or Units at the Valuation Point applicable at the time the original Shares or Units are redeemed and the new Shares or Units are issued. We may make a charge on switching Shares or Units and apply such charge by adjusting the number of new Shares or Units to be issued, as permitted by the FCA Rules.

9. Suspension

The issue, cancellation, sale and redemption of Shares or Units (including on switching) may, in exceptional circumstances be suspended by Us with the prior agreement of the depository or trustee of the relevant Fund where it is in the interests of Investors or potential investors to do so. We will notify You as soon as practicable, explaining why the suspension has taken place. We will review the suspension at least every 28 days and it will continue only if it is justified having regard to Investors' interests. Recalculation of the price of the Shares or Units will commence on the next relevant Valuation Point following the end of the suspension.

10. Distribution of income

- 10.1. Distributions of income are paid on or before the annual income allocation date and on or before the interim allocation date of the Fund. Shares or Units must be held in the Fund prior to its accounting date. Payment will be made by BACS, cheque or any other means agreed by Us from time to time, provided We have Your bank or building society account details.
- 10.2. Net income on accumulation Shares or Units is not distributed, but accumulated, being automatically reinvested after the annual income accounting date and interim income accounting date.

11. Documents You Receive

- 11.1. You will receive a contract note for each transaction You place.

- 11.2. Copies of the most recent annual accounts may be inspected at, and copies obtained from Us (free of charge) from, the contact address set out at Clause 31.1 below.
- 11.3. You should check any contract note that TUTMAN or the Administrator provides to You and contact TUTMAN or the Administrator without due delay if You think it is not consistent with Your instructions, or if You think there is any inaccuracy.
- 11.4. TUTMAN will comply with any reporting requirements imposed by Applicable Laws and Regulations.

12. Financial Advisers

If You invest through a financial adviser, You should inform Us if Your adviser changes to enable Us to keep Our records up to date.

13. Cancellation Rights

Where You buy Shares or Units (as the case may be) in a Fund on the advice of a financial adviser, You may have a legal right to cancel Your Agreement during a 14 day period after making the Investment. If You have such a right and wish to cancel, You should sign and return the cancellation form available from Your financial adviser within 14 days from the day on which You receive the cancellation form. The amount that You will receive will depend on the performance of the Shares or Units that You are invested in and You may receive less than You originally invested.

14. Client Money

- 14.1. When You buy or sell Shares or units in the Fund, You agree that We are not required to treat Your subscription payment or redemption proceeds as Client Money for the purposes of that transaction provided that the money is used to subscribe for Shares or Units (in the case of a subscription payment) or paid out to You within one Business Day following the day on which We received the money. In these circumstances Your subscription payment or redemption proceeds could be mixed with Our own money and will not have the same level of protection as if We had treated it as client money.
- 14.2. Any monies which are being treated by Us as Client Money will be held in an interest bearing, pooled general client bank account.

This means that Your money may be held in the same account as other Investors who have an Investment with Us, so in an insolvency event You would not have a claim against a specific amount. You would make Your claim against the money pool in general. We will not be responsible for any actions or omissions of the relevant bank. If the bank holding the client bank account becomes insolvent, We will have a claim on behalf of all Investors, but if there is a shortfall, all clients will share in this proportionately, although You may be entitled to compensation from the Financial Services Compensation Scheme. The availability of compensation depends on the type of business being conducted. For more information see Clause 18 below. No interest is paid to You in respect of these monies. Interest earned is retained by Us and offset against administration charges of the bank account.

- 14.3. Client Money may be held with an approved bank outside the European Economic Area (EEA). In such case, the relevant accounts will be subject to the laws of that state and the Client Money may be treated in a different manner from that which would apply if the Client Money were held by a party located in the EEA.
- 14.4. Subject to the requirements of the FCA Rules, You agree that TUTMAN may transfer any Client Money held by Us to another person where the Client Money relates to the business being transferred. TUTMAN will procure that the sums transferred will be held by the person to whom they are transferred in accordance with the Client Money Rules or if that is not the case TUTMAN will exercise all due skill, care and diligence in assessing whether the person to whom the Client Money is transferred will apply adequate measures to protect these sums. TUTMAN shall procure that any sums transferred pursuant to this Clause are transferred on terms which require the other person to return transferred sums to You as soon as practicable at Your request. Any sums transferred pursuant to this Clause will cease to be Client Money for TUTMAN.
- 14.5. If the bank operating a Client Money bank account were to become insolvent and Your cash was held in the account at that time, there could be a shortfall in the amount that We would be able to repay You.

If this happens, or We become aware that its interests, or those of its officers, are likely to conflict with Your interests, We will take all appropriate steps to prevent or manage that conflict of interest in whatever manner is considered appropriate in the circumstance. This will be done in a way which ensures all client are treated fairly and in accordance with proper standards of business. Further details of Our conflicts of interest policy are available on request or at Our website at www.tutman.co.uk.

16. Liability

16.1. We and Our directors, officers, employees or agents do not accept any liability for loss, including loss of profit, costs, taxes or expenses suffered or incurred by You as a result of or in connection with the provision of services under these Terms of Business by Us, unless, and then only to the extent that, such loss, costs, taxes or expenses are caused by negligence, fraud, breach of contract or wilful default on Our part or on the part of any of Our associates in the provision of services. In addition, We do not seek to exclude or restrict any duty or liability which We may have to You under the FCA Rules.

16.2. We do not guarantee any particular Investment performance and will not be responsible for any loss of opportunity whereby the value of Your Investments could have been increased or for any decline in the value of Your Investments unless such decline or loss is the direct result of Our negligence, fraud, breach of contract, wilful default or a failure by Us to comply with Your instructions properly given to Us or Our agents.

16.3. You will be responsible for any loss arising as a result of Our acting upon Your instructions. We can rely upon any notice, permission, request or instruction We reasonably believe to be genuine or to be signed by properly authorised individuals.

16.4. We may decline to accept or act upon any instruction or other communication which We reasonably believe not to have been validly provided and, where practicable, We will provide

16.6. On many exchanges, the performance of a transaction may be "guaranteed" by the exchange or clearing house. However, You acknowledge that this guarantee is usually in favour of the exchange or clearing house member and cannot be enforced by You which means You may, therefore, be subject to the credit and insolvency risks of the firm through whom the transaction was executed.

16.7. You acknowledge that the insolvency or default of a firm who is dealing on Your behalf, or of any brokers involved with Your transaction, may lead to positions being liquidated or closed out without Your consent or, indeed, Investments not being returned to You. There is also insolvency risk in relation to the Investment itself, for example of the company that issued the bond or of the counterparty to the off exchange derivatives (where the risk relates to the derivative itself and to any collateral or margin held by the counterparty).

16.8. Where a counterparty fails to settle a transaction or is unable to fulfil their obligations (for example, a clearing broker), We will not bear responsibility for this and We will not compensate You or the Fund for this, provided that We have acted in good faith.

25. Rights of Third Parties

No term of this Agreement shall be enforceable under the Contracts (Rights of Third Parties) Act 1999 by a third party, but this does not affect any right or remedy of a third party which exists or is available apart from under that Act.

It may also include establishing and possibly verifying the identity of anyone who is a director or senior manager of the client and/or who is to be regarded for the purposes of the Applicable Laws and Regulations as a "beneficial owner" of the client (such as shareholders where the client is a company and beneficiaries where the client is a trustee);

28.1.2. keep records of those due diligence measures for a period of five years from the termination of Our business relationship. For these purposes only, Our business relationship shall be treated as terminated on the date (a) You cancel this Agreement in writing

during the cancellation period, (b) We receive written notice from You to terminate, or (c) the date of the last transaction executed for You; and

In the case of a purchase of Shares or Units where You are not willing or are unable to provide the information requested within a reasonable period, We reserve the right to sell the Shares or Units purchased and return the proceeds to the Account from which the subscription was made. These proceeds may be less than the original Investment and We shall not be liable for any loss You may suffer.

28.5. Please note that We may be required by law to make a disclosure to the National Crime Agency where We know or suspect that a transaction may involve money laundering or terrorist financing. If We make a disclosure in relation to Your matter, We may not be able to tell You that a disclosure has been made. We may not be able to tell You why. We will not accept any liability for and Loss suffered as a direct or indirect result of such disclosure being made or Our having to stop work.

2.1 These Intermediary Terms of Business commence on the date of the first receipt of an Instruction from the Intermediary.

2.2 Before an Intermediary places an instruction or engages with TUTMAN in relation to a Fund, the Intermediary must be Duly Authorised and continue to be so on a continuing basis. The Intermediary must be set up on the systems of TUTMAN's Administrator and these Intermediary Terms of Business will govern all transactions and the relationship between TUTMAN and the Intermediary. These Intermediary Terms of Business should be read alongside the Prospectus and the KIID, the Key Information Document or NURS-KII Document, as applicable. If the Intermediary Terms of Business conflict with the Prospectus, the Prospectus will prevail.

2.3 The Intermediary acknowledges that TUTMAN and its Administrator reserve the right to undertake due diligence on the Intermediary, its owners, controllers or any other person with a close link to the Intermediary prior to setting up the Intermediary on its systems and the acceptance of instructions. This may include regulatory, KYC and credit reference checks.

3. Accepting Instructions

3.1 Acceptance of an Intermediary is at the sole discretion of TUTMAN and/or its Administrator. TUTMAN and/or its Administrator reserve the

- right not to accept instructions or to continue to engage with an Intermediary, even if instructions have been previously accepted.
- 3.2 At TUTMAN's request, the Intermediary will promptly:
- 3.2.1. confirm whether any Cancellation Rights apply to any Share or Unit purchase order it has placed;
 - 3.2.2. confirm its Agency Code with TUTMAN and/or the Administrator;
 - 3.2.3. if so requested, provide a properly completed Application Form for any Investor for whom it places a purchase or sale order (or intends to do so), and, if different, the name and address of the person in whose name the Shares or Units are (or will be) registered;
 - 3.2.4. if so requested, confirm that the client has been provided with a copy of the KIID, the Key Information Document or NURS-KII Document, as applicable (or request such document from TUTMAN and/or its Administrator);
 - 3.2.5. state whether it is authorised to hold or control Investors' money; and
 - 3.2.6. provide any KYC information, or any other information TUTMAN and/or the Administrator may require to comply with Applicable Laws and Regulations, including as required to enable Us to meet Our reporting requirements under FATCA and the Common Reporting Standard or other equivalent disclosure requirements imposed on Us.
- 3.3 TUTMAN will categorise each Intermediary as either an Adviser Intermediary or an Execution Only Intermediary (TUTMAN's default position will be classification as an Adviser Intermediary). TUTMAN will not pay Commission to an Intermediary that is classified as an Adviser Intermediary, unless the Intermediary confirms that the transaction is Execution Only (or for an Investor outside the UK).
- 3.4 By placing an instruction, or otherwise, with TUTMAN and/or its Administrator, the Intermediary confirms that they have received proper authorisation from the Investor to act on their behalf and the Intermediary acknowledges that they will be treated as the Investor's Agent until such time TUTMAN and/or its Administrator is notified otherwise (TUTMAN and/or its Administrator reserves the right to request this notification in writing).
- 3.5 The Intermediary confirms that if requested, it will obtain from the Investor any supporting documents that TUTMAN and/or its Administrator may reasonably require in relation to the instruction.
- 3.6 The Intermediary confirms that it will promptly notify TUTMAN and/or its Administrator if it no longer has authorisation as Agent from an Investor.
- 4. Anti-money laundering, identity verification and anti-bribery**
- 4.1 In accordance with Applicable Laws and Regulations, the parties shall ensure that proper anti-money laundering and identity verification checks are carried out in relation to any person who applies to become an Investor in accordance with the Applicable Laws and Regulations.
- 4.2 The Intermediary warrants and represents that, in respect of any Investor, he shall have verified the identity of the person referred to TUTMAN and/or its Administrator and he shall keep on file any documentary evidence used for such purpose for a period of at least five years from the date on which the documentary evidence was first relied upon.
- 4.3 The Intermediary understands and acknowledges that TUTMAN and/or its Administrator may carry out its own anti-money laundering checks on any person introduced notwithstanding that the Intermediary shall have carried out such checks and that TUTMAN may refuse to accept any person as an Investor. TUTMAN and/or its Administrator reserve the right to request copies of all identity verification obtained by the Intermediary for its records.
- 4.4 The Intermediary will comply with all applicable laws, statutes, regulations and codes relating to anti-bribery and anticorruption and will promptly report to TUTMAN and/or its Administrator any request or demand for any undue financial or other advantage received by, or given by, the Intermediary; and immediately notify TUTMAN in writing if a foreign public official is or becomes an officer or employee of the Introducer or owns or acquires a direct or indirect interest in the Intermediary.

- 5.3 The Intermediary shall keep TUTMAN indemnified from all loss incurred by reason of the Intermediary's failure to make due payment on the Settlement Day. TUTMAN shall be entitled to charge interest in respect of delayed settlement at a rate of 4% above the Bank of England base rate at the time. For the avoidance of doubt, loss shall include any loss resulting from the cancellation of the order or Application, and any other loss or expenses caused to TUTMAN directly or indirectly by a failure of the Intermediary to make due settlement on the Settlement Day.
- 5.4 The Intermediary shall in the case of sales (repurchases) and distributions and at the time the Account is opened inform the Administrator of the holder's redemption bank details in order for payment via electronic means on redemption to be made.

Up to date

documents can be requested by telephoning +44 (0) 333 300 0375.

The Intermediary confirms that it does not engage in market timing, frequent trading, late trading or any activities of a similar nature and that it has established procedures for monitoring its own trading activities and those of Investors to identify and deter any such activities. The Intermediary will notify TUTMAN immediately on becoming aware of any actual or suspected occurrences of frequent trading, market timing, late trading or any activity of a similar nature in relation to any Unit Trust, ACS or OEIC.

9. Liability

Except as provided otherwise under the Applicable Laws and Regulations, TUTMAN shall not be liable to the Intermediary or in breach of the Intermediary Terms of Business if there is any total or partial failure of performance of Our duties and obligations hereunder occasioned by any act of God, terrorism, fire, act of government or state, war, civil commotion, insurrection, embargo, breakdown, or computer systems or other machine failure, inability to communicate with market makers for whatever reason, prevention from or hindrance in obtaining any raw materials, energy or other supplies, labour disputes of whatever nature or any other reason (whether or not similar in kind to the foregoing) beyond the control of TUTMAN ("Force Majeure").

If amounts paid to the Intermediary are subsequently discovered to be incorrect, the Intermediary must repay such amounts promptly within 30 days of being requested and TUTMAN may rectify any error without further liability.

10.2 Where the Intermediary is prohibited from receiving such a payment or benefit by Applicable Law or Regulation, it shall inform TUTMAN, which will then cease providing such payments or benefits.

10.3 For the avoidance of doubt, no payments due to the Intermediary will be made to a third party, and all payments will be made by bank transfer in Sterling unless agreed by TUTMAN in writing.

11. System Access

11.1 If requested by the Intermediary, TUTMAN and/or its Administrator may agree to provide access to certain systems to view Investor information for which the Intermediary is registered as the Investor's Agent (the "System"). TUTMAN and/or its Administrator provide this facility on the terms set out in Clause 11.2 below.

11.2 Username and password

11.2.1 If the Intermediary wishes to use the System then the Intermediary will need to request a Username and Password from TUTMAN. The Intermediary will need to provide the Username and Password each time the System is accessed.

11.2.2 In all cases, the Intermediary acknowledges and undertakes that they will:

(a) be responsible for the confidentiality and use of the Username and Password;

(b) not disclose the Username and Password to any other person for any purpose whatsoever; and

(c) immediately notify TUTMAN and/or its Administrator if they become aware of the loss, theft or disclosure to any third party or of any unauthorised use of the Username and Password.

11.2.3 If TUTMAN or the Administrator believes that the Username and Password is being used without Your knowledge by unauthorised persons, TUTMAN and/or the Administrator may without prior notice suspend the rights to use the System. Further, if TUTMAN and/or the Administrator reasonably believe that the Intermediary has supplied their Username and Password to other persons in breach of Clause 11, then TUTMAN or the Administrator may terminate access to the System accordingly.
